P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please find, pursuant to 37 C.F.R. § 1.98(a)(1), the enclosed Form PTO-1449 which contains a list of all patents, publications, or other items that have come to the attention of one or more of the individuals designated in 37 C.F.R. § 1.56(c). While no representation is made that these references may be "prior art" within the meaning of that term under 35 U.S.C. §§ 102 or 103, the enclosed listed references is disclosed so as to fully comply with the duty of disclosure set forth in 37 C.F.R. § 1.56. Moreover, while no representation is made that a specific search of office files or patent office records has been conducted or that no better art exists, the undersigned associate believes that the enclosed art is the closest to the claimed invention (taken in its entirety) of which the undersigned is presently aware.

As required by 37 C.F.R. § 1.97(e), Applicants affirm that no item of information contained herein was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

Dated this the 4th day of November 2010.

Respectfully submitted,

/Barbara Daniels/
